### Who Am I?

"I embarked on my career journey with a steadfast ambition to become a Director of Photography (DOP). Starting as a Second Assistant and with an academic background in media, I have steadily progressed, acquiring extensive skills and technical expertise along the way. With over 15 years of experience in the film industry worldwide, I am now based in the United Arab Emirates and actively working across the Kingdom of Saudi Arabia, the MENA region, and beyond. where for the past four years, I have served as a proficient Digital Imaging Technician (DIT) and Digital Loader. My passion for the equipment under my care is matched only by my dedication to the creative craft it supports. Continuously driven by a desire for innovation, I relentlessly explore and push the boundaries of creativity. With a wealth of experience and unwavering professionalism, I am an invaluable asset to any team, steadily advancing toward my lifelong goal of becoming a Director of Photography. Throughout my career, I have contributed to hundreds of projects across a wide range of media content, including internet productions, television commercials, viral videos, music videos, TV series, corporate films, short films, and feature films.
