

REMY HADDAD

An Assistant Director is someone who is a team leader, creates and manages script breakdowns, shooting orders and shot lists, coordinates with all department heads and their tasks, as well as keeping track of time and handles the logistics of running the set. I have been doing this since 2016, I've worked on various types of projects, including: short films, feature films, TV series, TV commercials, social media campaigns, music videos and reality shows. I've also worked with many different animals, kids of all ages and people of determination.
