

Resume for Anastasia Filatova

<https://www.imdb.com/name/nm4942772/>

Professional Summary:

I am a 34-year-old creative professional residing in the UAE since 2001. Fluent in Russian and English, with a basic understanding of Arabic, I excel in combining artistic vision with efficient execution. My robust computer, communication, time management, and organizational skills ensure that projects are completed to the highest standards. As a hardworking and people-oriented individual, I am dedicated to fostering collaborative and harmonious teamwork within film crews, balancing creativity and efficiency in every project.

Cultural Awareness:

Growing up in Dubai, surrounded by a diverse expatriate community, I excel at finding common ground with individuals from various backgrounds. My extensive experience living in the Middle East has equipped me with a deep understanding of cultural nuances, enhancing my ability to navigate the complexities of this region. This cultural sensitivity enriches my creative projects, making them resonate with diverse audiences.

Professional Experience:

I have extensive experience producing and production managing TV commercials and serving as a 1st Assistant Director. I have successfully coordinated various aspects of productions, including locations, casting, and collaboration between directors, agencies, and diverse teams. My role as a production coordinator on major film studio feature films has further expanded my skill set, enabling me to manage large-scale projects with precision and creativity.

My diverse portfolio includes work on TV series, documentaries, music videos, corporate films, social media content, post-production, and CGI. I thrive on new challenges and have embraced roles such as Continuity Supervisor and Agency Producer, significantly advancing my overall skill set. Each role has honed my ability to blend artistic expression with the demands of modern production, ensuring that every project is both innovative and efficiently executed.

Most recently, I spent six months as an Agency Producer at VML, a creative agency. This role provided invaluable lessons in thoughtful and strategic planning, budget allocation, and client management. I firmly believe that people are assets in every situation; without them, we cannot achieve anything. Every job has a unique essence, and maintaining enthusiasm within the crew, while earning their trust and respect, is paramount.

I have worked closely with many celebrities and their entourages, adeptly managing the unique demands of high-profile projects. Additionally, I am collaborating with Saudi Arabia to help build a robust film industry, contributing to the region's cultural and creative growth.

Personal Interests:

I am passionate about nature, hikes, the sea, music, reading, and art. As a mother of three young boys, I bring additional skills in multitasking, patience, and time management to my professional life. These personal interests and experiences enrich my professional perspective, fueling my creativity and dedication.
