Benjamin Iain Menzies

Date of Birth: 25/09/1994

Nationality: British

Current residence: Dubai, United Arab Emirates

IMDB: <https://www.imdb.com/name/nm8201681/>

Bio: A highly skilled and renowned stunt driver and coordinator in the United Arab Emirates with over a decade of experience in the film, television, and commercial industries. Known for his precision, creativity, and unwavering dedication to delivering projects around the clock, Ben has become a sought-after professional, trusted by top directors, production companies and automotive brands in the middle east.

Ben's expertise extends beyond stunt performance to picture vehicle coordination. In this role, he is responsible for sourcing, modifying, and managing all vehicles used in a production, ensuring they meet the specific aesthetic and functional requirements for each shoot. His knowledge of sourcing vehicles and parts make him an invaluable asset to any production team.

Ben is also known for his work in vehicle events and test drives. He collaborates with automotive manufacturers to showcase new vehicles, perform live driving demonstrations, and conduct test drives for potential customers and media representatives. His ability to demonstrate a vehicle's capabilities in a controlled, high-energy environment highlights his versatility and broad appeal in the automotive industry.
