● PROFESSIONAL EXPERIENCE

40 YEARS OF DIVERSE FILM EXPERIENCE
FEATURE FILMS
ADVERTISING COMMERCIALS
DOCUMENTARIES AND MUSIC VIDEOS

I commenced a career in the film industry in 1983 as an in-house production assistant for Feldman Cornell Film Productions (South Africa). I participated in technical workshops and certificate courses, with SAFTTA (South African Film and Television Technicians Association). These included courses in production management, editing, lighting, grip techniques, aspects of 16mm and 35mm cameras and the few existing digital cameras at the time.

I was 1st Assistant Director for more than 30 years on numerous advertising commercials and feature films before line producing my first commercial in 2006.

I have worked internationally in countries such as South Africa, France, England, Spain, Belgium, Germany, Israel, Romania, Canada, Morocco, Mexico, Cuba, Ireland, Portugal, Argentina, Chile, Egypt, UAE, Qatar, Mozambique, Slovenia.....

Having worked on dozens of TVC's , feature films, documentaries and Music Videos involving cars, helicopters, aeroplanes and drones I have a sound knowledge of the equipment, logistics, safety requirements, and communication skills needed in all these domains. I have worked with the Russian Arm, The Ultimate Arm and the Spanish Scorpio Arm. I am experienced in car chase scenes, stunts, performance and car beauty tracking shots. I also have filmed with aeroplanes such as the Pilatus stunt plane, Corsairs, T10's, Spitfires, and the Mirage fighter jet, the F16 and various other military equipment.

I have sound experience in visual pyrotechnics and various other special effects .

I have very good relational and communication skills at all levels having produced and assistant directed commercials and feature films involving people from all walks of life including celebrities such as Oliver Reed, Ertha Kit, Steve James, David Bradley, Claudia Chiffer, Heidi Klum, Schumacher, Sebastien Vettel, Rory Macelroy, Ronaldo, Suarez, Zidane, Iniesta, Xavi, Neymar, Rita Ora and many more.

Through these many years of experience I have acquired a very well rounded and versatile experience in producing and assistant directing enabling me to manage almost all situations.
