**MICHAEL ESSEY**  
**1ST ASSISTANT DIRECTOR**

# MOVING AN ARMY TOWARDS A COMMON CINEMATIC VISION.

**Dynamic, detail-driven, and internationally experienced, I'm a First Assistant Director & Fixer** dedicated to bringing seamless organization and precision to every production.

Having successfully managed projects across three continents, I bring global insight and cultural adaptability to both **local and international** productions, **short form** and **long form**.

**My background as a producer** enhances my strategic approach to **scheduling, budgeting, and resource efficiency**, ensuring optimal support for producers. Additionally, **my experience as a director** uniquely positions me to anticipate and fulfill the director's creative vision by **proactively managing logistics**, freeing directors to focus entirely on storytelling and performance.
