Lighting Technician - Various Film Productions

Freelance

Collaborated with prestigious names in the entertainment industry: Action Film, Film Quipe, Gamma, High-End Films, and Inhouse.

- Crafted visually immersive experiences for projects like Epic Film, MBC, Film Pudding, 2454, and Goldmine, illuminating scenes with technical precision.
- Expertly operated lighting marvels including AX5, Titan Tube, HILIOS, and more to enhance the cinematic journey.

Film Production Lighting Technician (Spark) - Various Productions

Summary

Dedicated Lighting Technician with a strong background in setting up, operating, and maintaining lighting equipment for various events and productions. Seeking opportunities to utilize my technical skills and expertise to contribute to the success of events, concerts, theaters, or other lighting-intensive projects.

I've partnered with renowned names like PRG, Action Films, and Film Quipe, Encore, Almoe, Opera Dubai, Coca Cola Arena. as a lighting technician,

I've worked on captivating atmospheres at events such as GWEN Stefani, Dubai World Cup, UAE National Day, and UAE Special Olympics

Technical Knowledge

Mastering advanced lighting technologies like: VL, Robe, Megapointe, Claypaky. Astera. BMFL, Sharpy. Knowledgeable with 1K to 24K. Tungsten Lights, Day Lights.

Behind the scenes, I've lent my technical prowess to film productions like MBC Dessert Warrior and DUNE 2 as a Lighting Technician (Spark), painting cinematic brilliance through lighting.
