## SUMMARY:

As a versatile production and location assistant with a passion for the media industry, I bring a unique blend of skills to support all aspects of production. With experience in coordinating logistics, scouting locations, securing permits, and managing schedules, I am a key asset in ensuring efficient and successful shoots. My strong attention to detail, excellent communication skills, and ability to adapt quickly make me an invaluable team player. I am dedicated to delivering high-quality work and contributing to the overall success of any media project.

## PROFESSIONAL EXPERIENCE:

### Production Assistant/ Location Assistant

- Collaborated with production teams to assist in pre-production planning and location scouting for various film and television projects, ensuring efficient use of resources and time.
- Coordinated logistics for production shoots, including securing permits, managing transportation, and providing on-site support to the director and crew.
- Established and maintained positive relationships with local authorities, property owners, and businesses to facilitate seamless location access and minimize disruptions.
- Managed on-set schedules and provided communication updates between departments, resulting in improved workflow and optimized shooting timelines.
- Maintained inventory of equipment and supplies, tracking usage and reporting any shortages to production managers to ensure continuity in operations.
