Since the late 1980's Maxine has owned her own production companies, as well as a facilitation company, in Spain, producing numerous music videos in Spain and in Morocco, as well as TV series' and feature films. She also worked as Production Accountant on the cult movie Sexy Beast.

Working on many films all over Europe, Maxine has gained a well-respected reputation with worldwide film producers and Hollywood studios. In 2009 Maxine went to the Middle East to work on feature films as a Production Accountant, (Maxine is a fully qualified accountant), Line Producer, U.P.M. and Production Supervisor.

Maxine has Line Produced for Jackie Chan films in Dubai mostly 40-day shoots and is currently producing 3 films, for which she holds the Rights. After spending 17 years running productions in the UAE, Qatar and Saudi, she has gained extensive knowledge of the Middle East, where she also acts as Line Producer for a number of studios, as well as budgeting and scheduling in this region of the world.

Her Line Producer experience has also taken her within the industry in Europe and the UK, where she has worked on various films and TV series.
